

Spiderman

What`s this sticky net here for?
Where`s the exit where the door?
Don`t wanna deeper, need a reaper
I`m powerless..

You can`t hold me here by you for all my life
You can`t eat me here for all your life
Don`t need a reaper, a gun is cheaper
You can`t survive me

Watch me closely, have your eyes on me
I will find a way to deliver me
I`ll count the days, see your stupid face
No pardon here for you

Yeah please don`t cry when I`m not here
When spiderman has disappeared
Yeah I will feed enother mouth
I won`t hear you shouting out loud...
