

## Without a tear

There`s sadness here without a tear, an unknown hurt that we  
don`t fear

He`s not allowed to speak those words, that`d take him away  
from here

`cause life taught him to be strong, taught him to be male

but he feels that there`s love flowing in his young veins, but  
he won`t show until

someone`s gonna catch his young soul and makes the fear  
disappear

There`s no respect for all his needs, no warmth no kindness  
here to feel

He`s to much hurt to break those rules, that`d take his soul  
away from here

`cause life taught him to be strong, taught him to be male

but he feels that there`s love flowing in his young veins, but  
he won`t show until

someone`s gonna catch his young soul and makes the fear  
disappear

which is flowing there in his young veins, but his heart won`t  
bear this pain

no cry, no hurt, no need, no word, no feeling that`s ever been  
heard

no spurious smile, no crying eye, that`s ever been seen

`cause life taught him to be strong, taught him to be male

`cause life wanted him to be a man without a tear

but he feels that there`s love flowing in his young veins, but  
he won`t show until

someone`s gonna catch his young soul and makes the fear  
disappear

which is flowing there in his young veins, but his heart won`t  
bear this pain

this pain .....
